PERS Board of Trustees Election Information Retiree Representative

Welcome

Thank you for your interest in serving on the Public Employees' Retirement System of Mississippi Board of Trustees (Board). We hope the enclosed information helps you learn more about the Board, PERS in general, and the process for becoming a board member.

Board Overview

PERS is among the largest financial institutions in the state of Mississippi and provides retirement benefits for all eligible state and public education employees, officers of the Mississippi Highway Patrol, elected members of the state Legislature, the President of the Senate, and other eligible public employees whose employers have elected to participate.

Plans administered include the Public Employees' Retirement System (PERS), which was established by legislation in 1952; the Mississippi Highway Safety Patrol Retirement System (MHSPRS), established in 1958; Mississippi Deferred Compensation Plan & Trust (MDC), established in 1973; the Supplemental Legislative Retirement Plan (SLRP), established in 1989; Municipal Retirement Systems (MRS), which came under the System's administration in 1987; and the Optional Retirement Plan for the Institutions of Higher Learning (ORP), which was established in 1990.

The 10-member PERS Board of Trustees is responsible for establishing policies governing general administration and proper operation of the plans administered. The Board includes the state

Treasurer, a gubernatorial appointee who is an active member of PERS, two PERS retirees, two state employees, and one representative each of public schools and community colleges, Institutions of Higher Learning, counties, and municipalities. Other than the Treasurer and the gubernatorial appointee, board members are elected to staggered six-year terms by the members of the constituent group they represent.

All assets of the plans administered are held in trust for the exclusive purpose of providing benefit payments and paying administrative expenses. Board members have a fiduciary duty to manage, invest, and expand these funds in the manner provided by law.

Board members serve on six committees as assigned by the board chairman. These committees are Administrative, Audit, Claims, Defined Contribution, Investment, and Legislative.

Candidate Qualifications

To qualify for the Retiree Representative election, you must be a retired member receiving a retirement allowance from PERS. You also must complete and submit to PERS the *Nomination for Retiree Representative Candidate* (see last two pages of this document) by the deadline listed in your cover letter. If you do not have a copy of the cover letter, you can find it posted at www.pers.ms.gov during the election process. The front of the nomination provides you the opportunity

Continued on page 2

to share biographical information and provides you instruction on submitting your Candidate Statement. The back of the nomination includes a petition on which you must gather 25 or more signatures from other System retirees to qualify you for the election.

Once you have completed the nomination front and back, mail the sheet, your Candidate Statement, and any additional attachments to the Public Employees' Retirement System, c/o Executive Director, 429 Mississippi Street, Jackson, MS 39201. **Neither faxed nor e-mailed petitions will be accepted.** If, after review of your nomination, you are found to meet all requirements for candidacy, you will be notified before the mailing of the ballots. (See cover letter for date.)

Election Rules

1. Votes cast after the deadline will not be counted.
2. If no candidate receives a majority of the eligible votes cast, the two candidates who receive the most votes will compete in a runoff election.

The runoff election will be handled in the same manner as the primary election. PERS will notify you by mail as to the results of any election in which you are a candidate.

Service Requirements

Board members should be willing to commit the necessary time required to meet their obligations. Attendance at board meetings is expected, and members are encouraged to attend all committee meetings. For each board meeting, members typically spend 8 to 15 hours preparing for and attending board and committee meetings.

The Board meets the fourth Tuesday of February, April, June, August, and October and the third Tuesday in December. Other meetings may be called by the board chairman from time to time.

The Investment Committee meets the day preceding the regularly scheduled board meeting. Other committees generally meet the morning of the regularly scheduled board meeting and may be scheduled more often at the discretion of the committee chairman. When an outstanding appeal exists, hearings before the Claims Committee are scheduled to meet the fourth Tuesday of each month in which there is not a regularly scheduled board meeting.

Compensation

Board members receive \$300 per month as compensation. Necessary travel expenses are reimbursed for board members residing outside the Jackson metropolitan area.
