

Unfunded Actuarial Accrued Liability

25-11-105(f) Each political subdivision of the state and each instrumentality of the state or a political subdivision, or both, is authorized to submit, for approval by the board of trustees, a plan for extending the benefits of this article to employees of any such political subdivision or instrumentality. Each such plan or any amendment to the plan for extending benefits thereof shall be approved by the board of trustees if it finds that the plan, or the plan as amended, is in conformity with such requirements as are provided in Articles 1 and 3; however, upon approval of the plan or any such plan previously approved by the board of trustees, the approved plan shall not be subject to cancellation or termination by the political subdivision or instrumentality. Any plan terminated through legislation, privatization, sale, dissolution, actions of the board of trustees through subparagraph (v), or any other method of termination, shall pay to the board its portion of the unfunded actuarial accrued liability in a lump sum before termination, as provided by regulations of the board of trustees. No such plan shall be approved unless:

- (i) It provides that all services that constitute employment as defined in Section 25-11-5 and are performed in the employ of the political subdivision or instrumentality, by any employees thereof, shall be covered by the plan, with the exception of municipal employees who are already covered by existing retirement plans; however, those employees in this class may elect to come under the provisions of this article;
- (ii) It specifies the source or sources from which the funds necessary to make the payments required by paragraph (d) of Section 25-11-123 and of paragraph (f)(v)2 and 3 of this section are expected to be derived and contains reasonable assurance that those sources will be adequate for that purpose;
- (iii) It provides for such methods of administration of the plan by the political subdivision or instrumentality as are found by the board of trustees to be necessary for the proper and efficient administration thereof;
- (iv) It provides that the political subdivision or instrumentality will make such reports, in such form and containing such information, as the board of trustees may from time to time require;
- (v) It authorizes the board of trustees to terminate the plan in its entirety in the discretion of the board if it finds that there has been a failure to comply substantially with any provision contained in the plan, the termination to take effect at the expiration of such notice and on such conditions as may be provided by regulations of the board and as may be consistent with applicable federal law.

1. The board of trustees shall not finally refuse to approve a plan submitted under paragraph (f), and shall not terminate an approved plan without reasonable notice and opportunity for hearing to each political subdivision or instrumentality affected by the board's decision. The board's decision in any such case shall be final, conclusive and binding unless an appeal is taken by the political subdivision or instrumentality aggrieved by the decision to the Circuit Court of the First Judicial District of Hinds County, Mississippi, in accordance with the provisions of law with respect to civil causes by certiorari.

2. Each political subdivision or instrumentality as to which a plan has been approved under this section shall pay into the contribution fund, with respect to wages (as defined in Section 25-11-5), at such time or times as the board of trustees may by regulation

prescribe, contributions in the amounts and at the rates specified in the applicable agreement entered into by the board.

3. Every political subdivision or instrumentality required to make payments under paragraph (f)(v)2 of this section is authorized, in consideration of the employees' retention in or entry upon employment after enactment of Articles 1 and 3, to impose upon its employees, as to services that are covered by an approved plan, a contribution with respect to wages (as defined in Section 25-11-5) not exceeding the amount provided in Section 25-11-123(d) if those services constituted employment within the meaning of Articles 1 and 3, and to deduct the amount of the contribution from the wages as and when paid. Contributions so collected shall be paid into the contribution fund as partial discharge of the liability of the political subdivisions or instrumentalities under paragraph (f)(v)2 of this section. Failure to deduct the contribution shall not relieve the employee or employer of liability for the contribution.

4. Any state agency, school, political subdivision, instrumentality or any employer that is required to submit contribution payments, termination payments, or wage reports under any section of this chapter shall be assessed interest on delinquent payments or wage reports as determined by the board of trustees in accordance with rules and regulations adopted by the board and delinquent payments, assessed interest and any other amount certified by the board as owed by an employer, may be recovered by action in a court of competent jurisdiction against the reporting agency liable therefor or may, upon due certification of delinquency and at the request of the board of trustees, be deducted from any other monies payable to the reporting agency by any department or agency of the state.

5. Each political subdivision of the state and each instrumentality of the state or a political subdivision or subdivisions that submit a plan for approval of the board, as provided in this section, shall reimburse the board for coverage into the expense account, its pro rata share of the total expense of administering Articles 1 and 3 as provided by regulations of the board.
